MEMORANDUM FOR: Director of Finance

FROM: [REDACTED] Congressional Affairs

SUBJECT: Federal Debt Collection Procedures Act
(S. 1961)

1. On 5 October, the Senate Judiciary Committee amended and reported out the subject bill. The bill has now been placed on the Senate Legislative Calendar and there is a slight chance, according to Judiciary Committee staffer, that the Senate could act before adjournment.

2. I hand carried the bill to [REDACTED] of your office and requested a review of the amendments.

3. The House still has no companion bill and it is highly unlikely that any action will be taken by the House. However, they have waiting in the wings the Omnibus Debt Collection and Credit Management Act (H.R. 4499)

[REDACTED] I will continue to monitor for any signs of action and keep you advised.
